New construction! Beautiful 2,050 square foot home with three bedrooms and two bathrooms. Chef's kitchen features granite counter tops, ceramic tile flooring, and matching stainless steel appliances. Spend chilly nights in front of the stunning wood burning fireplace. A cathedral ceiling and crown molding add the perfect finishing touches to the great room. Relax after a long day in the master suite, complete with whirlpool tub, separate shower, and double vanities. Outdoors features include a covered porch, back deck, paved drive leading to double garage, community sewer, and underground utilities. All this plus this home is located in a new subdivision close to schools, I-59 North/Hwy 11 North. Great location and price!
